

About Us

We've built a team of professionals who deliver quality workmanship & excellent customer service. **WINDOWS**

Divine Interior Designs creates a window to the world that suits your needs and desires. Choose window treatments for privacy, energy-efficiency or ambience. **FLOORING**

You'll be floored by Divine Interior Design's array of flooring options. Hardwood, cork, tile, carpet. Divine Interior Design gives you selections and manages installation. **COUNTERS**

Counter your design challenges in the kitchen, bathroom, laundry room, garage or work room. We source and manage your counter solutions. **PAINT**

Paint the Town red but your bedroom a soothing shade. Paint colour affects mood and emotion. Divine Interior Design guides you through a rainbow of opportunities to find just the right colour for you and your home. **STYLE**

Function First - Family-Friendly - Budget Conscious

Our style is to design a room to meet your lifestyle needs. Pretty is nice but function rules, especially in households with children. We have inventive storage solutions that are beautiful, practical and geared to your budget.

We help you discover your home style. Our lead designer is accredited with the Sheffield School of Interior Design, The largest design school in the United States. We are also intimately familiar with Ontario's building codes from extensive construction industry experience.
