

## What We Offer

Barbara Chauvin Interiors has established a network of partners to service our clients. One of the most important services Barbara Chauvin Interiors provides is enabling our clients to define their dreams and turn them into reality.

Our lead designer and owner, Barbara Chauvin, has extensive design knowledge from a creative perspective that meld with a strong understanding of Ontario Building Codes and TARRION (Ontario New Home Warranty Program). This combination of creative and practical knowledge becomes a huge bonus to clients needing beautiful design that can be realistically implemented.

Honesty and integrity are something our staff does not take lightly. Our goal is to take ownership of the client's dream/vision, and carry it through to completion. Through excellent customer service skills and high standards of workmanship, our staff builds strong relationships with clients, suppliers and other designers in the industry. Constant learning is a passion within Barbara Chauvin Interiors, which keeps us on top of the latest trends.
